Reuven Opher Workshop on Challenges of New Physics in Space

Período: 13 a 17/12

We are glad to announce that online registration is open for the Reuven Opher Workshop on Challenges of New Physics in Space, which will be held online, on December 13-17, 2021.

This workshop, named after Reuven Opher, will continue his efforts to showcase the work of the Brazilian community in the fields related to Cosmology, Gravity and Astrophysics. In addition to the invited talks, there will be space for posters with pre-recorded talks and one session with flash presentations is planned as well. **The deadline for abstract submission is November 28, 2021** and the registration **deadline is December 5, 2021**.

More information is available at <https://www.ictp-saifr.org/ropher2021/>
