### COSMO 22 in Rio: Announcement

Dear colleagues,

We are happy to announce that both registration and abstract submission for the 2022 edition of the COSMO conference are open! It will be held fully in-person in Rio de Janeiro from 22 to 26/Aug. The conference will take place at the PlanetaRio which is located in a very nice part of the city, and only 2km away from Ipanema beach. August weather in Rio is nice and sunny, with an average daily temperature of 22C. Childcare support will be provided in-situ for researchers with young kids (limited slots).

### **IMPORTANT DEADLINES:**

Abstract submission: until 27/May

Application for financial support: until 27/May

Registration: until 30 June (early bird), 1-25 July (regular registration)

More information, including invited speakers and registration forms, can be found on the attached poster and on the COSMO 22 website:
